About Me

Senior Product Designer with 6+ years of experience designing fintech, e-commerce, and B2B products across mobile and web platforms. Experienced in leading end-to-end product design, UX research, design systems, and cross-functional collaboration.

Experiences

Sr Product Designer **Pay10**

Dec 2025 - Present • Dubai, UAE

- Leading end-to-end product design for Pay10's fintech platform across iOS and Android

Sr Product Designer **Jahez**

Dec 2024 - Dec 2025 • Riyadh, Saudi Arabia

- Enhancing user experiences for Saudi Arabia's leading food delivery platform through intuitive and efficient product design.
- Contributing to the major redesign and revamp of Jahez app and including two additional delivery verticals (Grocery & Items).

Sr Product Designer **Tamara**

Dec 2022 - Dec 2024 • Dubai, UAE

- Led the redesign of the Partner Portal and App, improving B2B merchant workflows and operational efficiency.
- Reduced onboarding time by 75% by building an automated partner onboarding system.

Sr Product Designer **Emirates Auction**

Jan 2021 - Dec 2022

- Led the redesign of the UI/UX for the Middle East's top auction app & website, enhancing user engagement and overall experience.
- Responsible for building the product UI design system and motion visuals to create a more intuitive and visually appealing interface.

UI/UX Designer **Syft**

Jun 2020 - Jan 2021

- Designed products for internal projects, ensuring they met high standards of quality and user experience.
- Collaborated with the development team to achieve pixel-perfect execution of designs.

Graphic Designer | **Multiple companies**

Jan 2013 - Dec 2021
